

# **NORTH DURHAM SOCIAL DEVELOPMENT COUNCIL MEMBERSHIP**

**DEAR COMMUNITY MEMBER,**

The North Durham Social Development Council addresses the social needs of the residents of Brock, Scugog and Uxbridge by facilitating a response.

The Mission Statement is short and deliberately worded. Each agency involved with service provision in North Durham is keenly aware of the challenges and rewards. The Council provides a forum for expressing needs, gaps and providing others with much-needed information about new services.

Please continue to support by renewing your current membership at the June 2008 Annual General Meeting or by becoming a new member of the council.
